Come shop with us and help us raise funds for animals in need! Care to donate? Gifts of new and/or gently used boutique items, antiques, collectibles and miscellaneous treasures greatly appreciated! Sorry, we aren't able to accept clothing or shoes, except for unworn, new or vintage designer pieces/hand bags, etc. Also no used electronics, office equipment, appliances, toys etc.

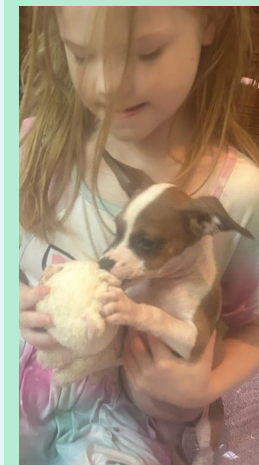

Free at last! This poor blue healer (left and below) was rescued from a miserable existence; he was tethered and lived in the mud and muck for years, in the town of Opelousas. After multiple interactions with *St. Landry Animal Control*, the owner finally surrendered the poor dog to a caring neighbor. We were happy to contribute to his care and recovery this month.

Animal-loving students (*above*) with the **Outreach Tulane** volunteer program spent a productive morning with us, cleaning, painting and organizing supplies at our new headquarters. The work day was part of the group's annual *Day of Service*, and we deeply appreciated the help!

Our *Wildlife 911* program helps injured and orphaned wildlife, by transporting animals to local rehabilitators. This month, donors on social media contributed to help **Zelda** (*left*), an injured coyote found in St. Bernard parish.

SUPPORTING BIENVILLE PARISH RESCUERS. One of our \$5 Friday fundraisers this month collected needed funds for a single Mom rescuer with two daughters. The Bienville parish family recently rescued a litter of puppies by the roadside, in yet another parish without a shelter.

Pippa (*left*) was recently abandoned along with her littermates, but we were happy to find her a loving local home. As transport opportunities have declined in recent years, we've been working to increase our local adoptions.

Poor **Jack** (*left*) was rescued with injuries in Livingston parish - it looked like the poor kitty had been attacked by a dog or wild animal. We were able to treat him for his injuries and also provide his neutering and routine shots. Happily, Jack's rescuer has decided to adopt him!

ALL DONATIONS ARE TAX DEDUCTIBLE TO THE FULLEST EXTENT ALLOWED BY LAW.
